## We design, We make, We fit We bring joy

Innerspace Cheshire is based in Whitchurch in the North West of England where we make products that are kind to people, the planet and animals.

Our local, dedicated team of makers hand craft our product range at our workshop. And our installation team travel up and down the country to fit all products nationwide.

## Quercus.

Innerspace Cheshire **Quercus** is a luxurious end-grain oak product. A mixture of angular shapes form each panel creating stunning texture and pleasing visual pattern. A perfect high-end wall finish for premium spaces.

Every block is meticulously handcrafted and assembled at our local workshop. Quercus stands out beautifully with accent moss and bark inserts, making it a real attention-grabber.

# Quercus.natural oiled

TIMBER RANGE

Quercus **natural oiled** is a panel system made from end-grain oak. Each shape is meticulously crafted and assembled by hand, then finished with natural oil to accentuate the distinctive qualities of the end-grain. This premium product is specifically designed to create beautiful feature walls, bringing a luxurious feel to any space.

# Quercus.**black stain**

TIMBER RANGE

Quercus **black stain** features end-grain oak that has been stained in a dark shade. This staining effectively reduces the contrast between patterns and grain. It's an ideal selection for creating a sophisticated, moody atmosphere in interior spaces with a dark-themed design.

# Quercus.white washed

TIMBER RANGE

Quercus **white washed** end-grain oak finish is achieved through the application of a white wood stain. This stain transforms the end grain into a subtle, pastel-toned sandy colour.
